1. Plant Directive No. 6/55, dated 17 March 1955, by the VEB Bau-Union Sued, Dresden, concerning personnel changes and administrative matters.<sup>1</sup> (2 pages)
2. A report, dated 15 April 1955, by VEB Ingenieurtiefbau Brandenburg, concerning new measures for the recruiting of labor for construction sites in March and April 1955.<sup>2</sup> (1 page)

50X1

Comments:

1. The Dresden enterprise reportedly uses "11" to indicate aboveground work and "12" for underground.
2. According to the report, great difficulty is being encountered in recruiting labor for the increased demand of the enterprise. The new recruiting methods, including screen advertising and public invitation for offers, reflect the situation. despite a certain initial success of the propaganda campaign, it would be impossible to supply the demand for labor.
